FROM THE COACH

Much of our success this past season was based on what we did last summer. The kids did a nice job of getting into the gym and developing as individuals and a team. Success is not a guarantee. I hope that each player can commit a portion of their summer to the game of basketball. Our coaching staff is players first and will work with them to help them improve as people and players. If there is anything you need from us, please do not hesitate to ask. I appreciate all that you do.

----- Coach Alex Johnson
