

Guess what?

The Toothmobile is visiting your school on April 21st and April 28th 2023!

This is a great opportunity to have your child receive preventive dental care and meet the STATE LAW requirement that ALL K, 2nd, 6th and 9th GRADERS HAVE A MANDATED DENTAL EXAM!

The Mercer County Health Department's mobile dental clinic will be offering preventative dental care for children in the Sherrard School District on:

April 21st &

April 28th

The Toothmobile is a mobile dentist office with a licensed dentist completing the exam. All preventative care (such as exams and cleanings) that can be completed in a traditional dentist office is available on the Toothmobile. They do not however fill cavities or remove teeth. A referral may be made for further treatments if tooth decay is present.

All students are welcome and encouraged to participate in the clinic. As a reminder, this EXAM FULFILLS THE STATE LAW REQUIRING ALL K, 2ND, 6TH and 9TH GRADERS TO HAVE A MANDATED DENTAL EXAM.

A medical card covers ALL the cost of services once a year. If you *do not have* a medical card the following are the cost of the different services; checks can be made to Mercer County Health Department. Cash is also accepted.

Exam: \$28.00
Cleaning: \$41.00
Fluoride: \$26.00
Sealants: \$36.00 each
