

Student Accident Excess Coverage Information

Your child's school district is an eligible member of the Illinois School District Agency ("ISDA"). Student Accident Excess Coverage will be provided for the 2019-2020 school year for each enrolled PreK-12 student at no cost to you. No enrollment is necessary for the school time coverage.

An electronic version of the brochure is available at [www.wcsit-isda.com/student accident](http://www.wcsit-isda.com/student%20accident).

If you need to file a claim, you must complete a Student Accident Claim Form that is available at the school your child attends. Please read the Claim Form for instructions on how to submit a claim. The school district and medical/dental providers are not responsible for filing a student accident claim.

Please note that this coverage is accident coverage only, and will not replace your primary health insurance. The Student Accident Coverage plan is designed to pay for expenses which are not reimbursed by your primary health insurance, any other plan of coverage or any other benefit. As a result, you must file a claim with your own health insurance carrier first.
