

Food Service Changes as of October 19, 2020

Due to the announcement made on October 9, 2020 by the Secretary of Agriculture, the Sherrard School District will be able to participate in the Summer Food Service Program through June, 2021. Your student enrolled in the Sherrard District will be able to eat breakfast and lunch free of charge each day. There will be no eligibility requirements during this time period. This applies to students attending in-person or remote learning each attendance day. The only charge to students during this time period would be if an extra milk would be purchased that is not part of the breakfast or lunch meal served.

Questions can be addressed to Marla Miller, Food Service Director at millerm@sherrard.us
