Tim Wernentin, Principal

Dear Friends of Sherrard High School,

For many years now, Sherrard has shown its concern for the Juniors and Seniors of Sherrard High School through the Post Prom Party. Prom this year will be on May 2nd. Right after the dance is over, we are expecting over 150 students to attend the substance-free Post Prom Party. These young people may be your friends, neighbors, or clients. We hope you will help them enjoy a safe and memorable celebration.

Planning is underway for this year's Post Prom Party. For many students, this event provides the last opportunity to have fun and share memories with their classmates. **Your support will make this year's event a night that they will always remember.**

Please consider a donation to make the May 2nd Post Prom Party a safe and enjoyable evening for our Sherrard students. Every dollar donated goes directly for the students attending the Post Prom Party. Please send your donation by April 27th. Checks may be made payable to:
