## Principal's Note

Greetings from the main office! I hope your February is off to a good start! To date, we have not had any inclement weather days, which keeps our last day of the school year for all 9-11 students on May 23 (the last day for seniors is May 18 - with graduation on May 21). If we do have an inclement weather day, the last day for 9-11 grade students will change - the last day for seniors will remain the same. As you likely are aware, many factors are considered on weather related school cancellations and dismissals, but please know much thought and conversations with area school districts occurs prior to any determination.

You may have noticed that semester report cards were mailed home as an effort to keep you informed of your student's progress. Third quarter progress report will be provided to the students (not mailed home) after spring break and we will mail home final report cards in June. At any time, you may contact your student's counselor for a copy.

We are currently completing our 2023-24 registration process. Parent/guardian signatures are required prior to final enrollment in courses. I encourage you to review our Registration Guide and sample schedules at <https://www.sherrard.us/Page/371>.

Thank you for your continued support at the many SHS activities! As always, we have high attendance at our athletic, music, and other events. Winter season IHSA tournaments are right around the corner and we encourage you to support your Tigers!
